"Assessment To Evolve To SAP HANA The ERP & Systems That Cover Our Corporate Processes"

"We needed and assessment on how to evolve our systems to SAP HANA. The experience was very exceptional as they accomplish what they were requested with great quality. Several important changes arouse during the project, and they adapted perfectly."

Project Manager, IT Services

"EnergyPath Implementation Of S4 HANA"

"Our requirement was an install of S/4 HANA that had to occur within 6 Months. This required a proven implementation methodology with a team that could remain focused on the most critical components while managing change effectively. This team did so with good project leadership and effective collaboration.."

CIO, Energy and Utilities

"Do Not Miss About Change Management"

"Our implementation was very difficult and long, considering also complexity of our GxP environment my experience is very good. Cooperation and communication was perfect it speed up the whole process. We should start to build relations and manage organizational change much earlier."

Project Manager, Healthcare and Biotech

"Capgemini Is Very Valuable For The Mercedes-Benz Key Product AmSupply For Prod. Logistic."

"In the key product AmSupply and the related projects, Capgemini did an excellent job. The consultant activities and process knowledge is very important and helps significantly for reaching the goals."

Project Manager, Manufacturing

"S4 Global Implementation"

"Delivered on time and on budget to tight timeframes with minimal impact to business operations and our sales."

Delivery Director, Retail
